\$399,000 - \$415,000

Have you ever wanted a cost-effective getaway at your convenience in Forster Tuncurry? To just jump in the car at your leisure and escape your hustle and bustle at the drop of a hat? Look no further. Perfectly positioned to lap up those summer vibes, this low-maintenance apartment in the heart of Forster is close to everything we love about this town! Forster Beach is just 650-metres away, and the still waters of Wallis Lake are even closer. If you want every day to feel like a holiday, this is the spot for you! The 'Mardi Gras' is a well-positioned boutique complex offering landscaped gardens, location, and a dedicated carport parking space. With the centre of town also within walking distance, you probably won't be using the car much though! Inside the unit, you have an open-plan kitchen and living area. The kitchen is a great size with ample cupboard and storage space. Wall-to-wall tiles join it to the living area, which has a ceiling fan and an abundance of natural light dancing its way through the glass sliding doors. These lead to the balcony, a tiled and covered space with glass railings, ideal for basking in our coastal fresh air. There are two bedrooms, the master suite, comes with a mirrored built-in robe and a ceiling fan. Both enjoy easy access to the bathroom which has a shower, toilet, and vanity. A perfectly positioned investment opportunity or a wonderful place to live, beaches, restaurants, boutique shops, grocery stores, amenities, and even the lovely Bicentennial Walk are only moments away. Take advantage of this stellar opportunity and get in touch with the JKL team today!
