This lovely apartment is located in the heart of Old Broome. It is neat, compact and well priced. Being downstairs, the unit is easily accessible and close to the complex's inground swimming pool. Built as a brick structure, the building is sound and insulated from the weather. The gated carpark is ample, enough for your tenant as well as visitors. On the interior, this has been left blank and awaits individual pizzazz and style. Make this a nifty entry level investment, or add it to your existing portfolio. Alternatively, perhaps you'd like to renovate and make Unit 10 your very own home down the track? This one is leased until December, so give Amanda Woosnam a call to discuss taking a closer look - 0478 057 111.
