Presenting light-filled living with a careful, low-maintenance emphasis, this two-bedroom villa satisfies the desire for an elegant, contemporary lifestyle in a serene coastal setting. Dining and entertaining unfolds across a large living zone, with an east-facing orientation providing wonderful morning light. The crisp, white finish is beautifully underlined by the rich, natural accents of polished timber flooring. The kitchen acts as a natural extension of the main living area and focuses on homemaker functionality with premium stainless-steel appliances, high-capacity cabinetry, and an adjoining laundry/scullery. An undercover deck with in-built seating wraps along the rear and extends onto a sunset patio. A tall fence and neighbouring trees offer excellent privacy. Accommodation is met by two large bedrooms with BIR and a shared bathroom between. Features include gas ducted heating, split-system A/C in the primary bedroom and lounge, an oversized rainfall shower, secure parking, and a hallway ladder to the 4x4m attic. Placed within metres of Lyle Anderson Reserve and walking distance to Highett shopping centre and main strip, this presents an outstanding opportunity to enter one of the bayside's most coveted neighbourhoods.
