Parkside gem with classic appeal and huge potential for the future

Carefully maintained with sweet retro appeal, this immaculate villa boasts a parkside position in a village-like community. Quiet and with next-to-no passing traffic, this is a tranquil spot to start out, invest or step down that comes with enormous potential to add value.

In pristine original condition, the accommodation comprises an air-conditioned lounge set beneath lofty cathedral ceilings and leading into a garden-view meals area and nostalgic kitchen. Both of these spaces enjoy outlooks to the generous outdoor area and thanks to the parklands beyond, there is an open & leafy ambience.

Down the hall, both of the bedrooms are well-proportioned and benefit from fitted robes, they share the immaculate bathroom with period decorative tiles plus a separate WC, while a laundry with access to the yard and a lock-up garage wrap up the package.

Providing a comfortable base and an ideal foundation for some contemporary updates, this neat property is just steps to the bus stop and general store, within easy reach of parklands, the station and eateries and just a quick trip to gorgeous beaches.
