With holiday makers, short term dwellers and long-term residents throughout the park, everyone has access to the facilities including visitor carparks, barbeques and the large resort style swimming pool. Your property includes a sizeable caravan, complete with air-conditioning, double sized bed, ample storage and kitchen. The added bonus to this site is the extended indoor living area adjoining the van. The spacious timber decked room can easily be your dining & lounge area or it could double as an extra bedroom for the kids or grand kids to sleep in or perfect when entertaining guests. The private, shady rear of the site is ideal for the BBQ and your own ensuite/laundry is also a bonus. The additions made to this site bring it from "caravan life" to "make yourself at home" vibes. Everything is here for a unique and simple life in Cable Beach. Whether it's a resting place for the dry season, or if your retirement plan is craving the simple life, give Blackers a call to nab this opportunity TODAY - 0409 113 358.
