Recently renovated, impeccably presented and showcasing awe-inspiring ocean views from Mooloolaba to Caloundra, there is a lot to love about this Buderim beauty. You will live within a boutique complex of just 24 owner-occupied units and enjoy the only residence that boasts its own private gardens and outdoor sitting areas. The spacious single-storey floorplan will feel more like a standalone home than a unit and offers a suite of high-end finishes throughout. There are three generous bedrooms and two bathrooms plus a dedicated office where you can work in peace and privacy. All three bedrooms open to the outdoors including your luxurious master suite with a walk-in robe and an opulent ensuite with a freestanding bath and a walk-in shower. Bedrooms two and three have built-in robes and are separated by the main bathroom for absolute convenience. The flawless attention to detail continues into the open-plan kitchen, dining and living area with banks of sliding glass doors leading to the wrap-around outdoor entertaining space. You can indulge your passion for food and cooking in the ultra-chic chef's kitchen with sleek white cabinetry, sweeping benchtops, quality stainless steel appliances and breakfast bar seating for relaxed meals. Captivating views over the Headland Golf Club to the ocean beyond will provide the ideal backdrop to your next get-together whether you're dining alfresco with loved ones or sipping afternoon cocktails as the sun sets. This really is apartment living like no other. Still want more? The list of extra features is extensive and goes on to include ceiling fans and air-conditioning throughout, plantation shutters, an internal laundry, parking for two cars and two storage lockers. Your new home is perfectly positioned within a peaceful pocket of Buderim and is just moments from the Buderim Private Hospital, Headland Golf Club, local shops, renowned schools and so much more.
