This must-see residence in Bargara features two spacious bedrooms separated by a central bathroom and laundry. The expansive open plan lounge and dining area adjoins a large kitchen, complemented by porcelain flooring for easy maintenance. The living area flows out to three large undercover outdoor spaces surrounded by low maintenance Balinese style garden and exclusive use fully fenced courtyard. The space has been well designed to provide excellent cross ventilation to take advantage of the cool ocean breezes. There is also a large rear yard available for shared use. The bedrooms have large built-in robes, fans, and low maintenance timber look vinyl flooring for ease of maintenance. Storage is aplenty with a large under stair cupboard, linen cupboard and plenty of space in the laundry for further storage potential. Uniquely, there is also a three bay lockable shed, providing two secure car spaces with ample clearance and a spare bay for further storage. Property Code: 2970
