Halcyon Lakeside offers a way of life that is on the bright side in the true sense of the word, featuring wide and open streets, welcoming front patios to each residence and an irresistible main hub of stylish facilities with a beautifully designed, resort-style pool area as its main attraction. As you float in its sparkling waters right above the two main recreational lakes of Bli Bli's Parklakes development, you soak up mesmerising views over a wide valley which was once a vital part of the Sunshine Coast's cane sugar industry and has now turned into a buzzing residential community. Occupying a privileged corner position on Mackenzie Circuit conveniently close to one of the entrances of the estate, Villa 120 transmits a matching beach-side feel of bright airiness and endless sunshine, as soaring ceilings allow an abundance of additional light to stream in through a second row of windows high above. Two banks of glass sliding doors connect the main open-plan living to a huge L-shaped alfresco area that can be screened and turned into a proper outdoor room by the touch of a button. Large enough to accommodate roof-covered lounge and dining spaces plus a lovely sundeck, this outdoor space feels also private and intimate thanks to generous buffer zones towards the street and the neighbouring properties. Embedded in even more garden and patio spaces within the boundary, there is a beautiful master bedroom with a sleek, contemporary ensuite, a lovely guest bedroom and a large second bathroom, a laundry opening to a dedicated utility courtyard plus a comfortable and versatile third room that could serve as anything from a media room to an office or yet another bedroom. From the doorstep of Villa 120, it is only a short walk to the lifestyle centre by the lake with the magnificent pool area, function rooms and an amazing array of sports and leisure activities on offer. There are tennis, pickleball courts and lawn bowls a dance floor and a ping-pong room, a state-of-the-art movie theatre and various studios for all arts and craft imaginable. And they are all as welcoming as the library where you could spend hours on the sofa browsing through books and the daily newspapers. The options continue with life outside Halcyon Lakeside. Bli Bli with its iconic fairy tale castle and an all-new shopping precinct, the Maroochy River Golf Club and the Bli Bli Watersports Complex are only a short drive away. Just a little further down the road awaits Maroochydore with its variety of cafes, restaurants and the Sunshine Coast's largest shopping centre. Offering a contemporary design, a generous floorplan and amazing facilities as part of the package, Villa 120 is a fantastic opportunity to join a carefree lifestyle where everything you could ever wish for is right at your fingertips and where you can also lock up and leave at a moment's notice.
