One Bedroom Gem - Kingston Foreshore

Located within "The Prince", a prestigious complex located in the heart of Kingston Foreshore. This stunning one bedroom apartment combines modern design with a prime location, providing easy access to all the amenities Kingston and the foreshore has to offer.

Bathed in natural light, thanks to its large double-glazed windows this open plan apartment features engineered oak flooring, while the modern designer kitchen is equipped with stone benchtops and ILVE appliances, including a 600mm induction cooktop, oven, and range hood. The well sized main bedroom is complete with a generous amount of built in storage and has direct access to the balcony area.

Key Features:

- Engineered oak flooring in the living area
- Carpeting in the bedroom
- Double-glazed windows throughout
- 2.7m high ceilings
- Reverse cycle ducted air conditioning
- Stone benchtops in the kitchen
- ILVE 600mm induction cooktop, oven, and rangehood
- Tiled undercover balcony
- Secure basement parking and storage

Designed by the renowned architects 'Architectus' and interior designer 'Hecker Guthrie,' The Prince offers state-of-the-art amenities and bespoke interiors. The building's brick facade, highlighted by the striking "Capital Red," encloses tranquil gardens inspired by London's Notting Hill and New York's Gramercy Park, providing a peaceful retreat in the urban centre.
