Location is key when looking at this great property as it's within walking distance of the centre of Sale's township, Lake Guthridge, Schools and recreational facilities. This property was finished to the highest of standards and boasts top quality fixtures, fittings and appliances, ducted central heating and split system air-conditioning. From the moment you walk through the front door the layout flows to the formal lounge/sitting room, a beautifully appointed kitchen with an adjoining dining area and then an open spacious family area that overlooks and filters out on to the alfresco area and rear garden. There are three good sized bedrooms with an ensuite and walk in robe to the master, and built in robes to the other two rooms, a family bathroom, laundry and separate toilet. Externally the garden is set out to keep maintenance to a minimum and there is a parking space to the front with the driveway leading into the lock up single garage with auto panel lift door and direct internal access into the home. Call our office today to arrange a time to view through your next home.
