A SPACE FOR ULTIMATE COMFORT AND LIFESTYLE

Like a peaceful oasis, this impeccably presented, two bedroom villa is a pristine haven of single-level style and natural light that is enhanced by an alluring alfresco flow to its decked entertainer-friendly courtyard. Just a short walk from Bentons Square shopping precinct, Benton's Junior College, and leafy parks, it is absolutely effortless to maintain and suited to everyone from young couples to downsizers who are keen to avoid compromising on either quality or position.

A relaxed and contemporary style of living, the north-facing frontage illuminates the free-flowing layout, with a generous lounge, separate meals area and classic kitchen equipped with a freestanding gas stove. Set within immaculate and private gardens the tranquil and oversized setting of the covered entertainers deck and lawns will entice, whilst comforts include split system air conditioning, a lock-up garage, robes in each bedroom, a dual-access bathroom with separate WC and a laundry with direct garden access.

Aside from Bentons Square, excellent local cafes and shopping can be found nearby on Main Street, where beachside attractions and vibrant energy are enticing.
