Luxuriously finished and privately positioned, this intelligently-designed 2-bedroom unit flourishes with vast floor spaces and magnificent alfresco living options, all conveniently located to everything you could want, making it simply perfect for your next home. A well thought out design that includes an open-plan dining and living area overlooked by the gorgeous kitchen, opting for quality with its gas cooktop, oven and dishwasher amongst plenty of cabinetry and preparation space. Sliding doors separate the living to the alfresco area, surprising with its genuine space over exposed aggregate concrete and artificial grass for that easy maintenance. At the front of the home are 2 well sized robed bedrooms one featuring a ceiling fan. Accompanied by the main modern-day bathroom. Home also features a separate laundry with internal access from the single garage, ducted heating through out, split system to main living area, security cameras to front & rear yard, solar panels to assist with those nasty electricity bills. An intelligent lifestyle moments from Banyan Fields Primary, Carrum Downs Secondary, public transport, Carrum Downs Shopping Centre and freeway access. To apply for this property, you must register for and attend an open for inspection to receive the code to submit your application.
