IT'S ALL DONE FOR YOU!!!

IT'S ALL DONE FOR YOU!!!

The Craig Harper Team says to put this immaculately presented and well-maintained 2-bedroom townhouse at the top of your list if you are looking to downsize, are a savvy investor or first home buyer.

Ideally located away from the street in a small and tidy complex, with low body corporate fees, close to primary schools, childcare centres, parks, sporting amenities, a variety of eateries and just a short drive to the Ipswich CBD, you will be surprised from the moment you walk through the front door.

Freshly painted inside with new flooring, there is nothing to do, but unpack.

The modern kitchen with gas cooking, single pantry and lots of cupboard and preparation space, overlooks a fully fenced private courtyard whilst the combined dining/loungeroom complete with ceiling fan offers enough space to invite family and friends for a Sunday roast.

The bathroom has recently been renovated and the internal laundry has easy access outside. There is a single lock up garage with an extra carparking space, wheelchair access and security screens. There is even an extra lockable storage room outside.

You won't find better in this location, so pick up the phone, book your inspection and start packing.
