Single Level Living

Tucked in a leafy complex just a short stroll from Briar Hill shops, this exciting 1st home/retirees opportunity is rich with potential, enjoying top convenience too! Offering instant comfort with scope to make your mark when you please, the single level design delivers 2 good-sized bedrooms with built-in robes (main with direct bathroom access), 2-way bathroom, inviting living room with soaring cathedral ceiling and classic kitchen/meals with pretty courtyard view. A covered deck adds a fantastic outdoor element, while extras include ducted heating, air conditioning, timber floors, lockup garage and easy access to the bus, Greensborough Plaza, train station and more. Everything you need is here - inspect today!
