All your Christmases will have come at once when you take in the superbly renovated interiors of this single level two bedroom unit. Stylishly updated and superbly presented, the wealth of space and light that shines from a central living and dining domain and flows to a full width decked courtyard sets the scene for a lifestyle of easy entertaining. The brand-new stone-topped kitchen with its 900mm Westinghouse induction cooktop and oven paired with an LG dishwasher and large walk-in pantry echo this home's entertaining credentials. Spacious bedroom with robes share a fully tiled bathroom that features statement black tapware, while a separate laundry, additional w/c, heating/cooling and lock-up garage ensure the best in modern living. Just a short walk to All Nations Park, Northcote Plaza and the endless trams, cafes and cosmopolitan shopping of High Street, inspection will impress.
