Tranquil Setting to Start Out or Downsize

The hidden rear home of just two on the block, this single level villa presents the perfect package for young families, couples or downsizers to enjoy an amenity-rich and very convenient locale. Offering fabulous low maintenance and a very liveable layout, the accommodation is centred around a wide living and dining zone with a stretch of windows looking out to the sheltered alfresco patio and easy-care mod-grass garden. A perfect vantage point to watch the kids play, this space connects around to the bright kitchen which features stainless steel appliances including a dishwasher.

Three spacious bedrooms are a sought-after inclusion, they incorporate a generous master with walk-in robe and gleaming ensuite bathroom. Fitted wardrobes are also offered in the remaining bedrooms which share the central family bathroom and a separate WC, while the comforts of ducted heating, a split system and multiple ceiling fans ensure year-round comfort. Rounded off by a European laundry, garden shed, auto garage and additional parking, there is so much to love about this peaceful & attractive property.

Steps to buses, a good coffee and every needed service, close to parklands and the primary school, this desirable locale is an easy trip down to the station & stunning beaches, while on-ramps for the freeway facilitate getting further afield or the daily commute by car.
