Beautiful earthy and modern tones meet within this renovated home, privately situated at the rear of a block of two and free from any owners corporate fees. Rare in its offerings, this large two bedroom property rests on approximately 210m² of land with spacious and picturesque gardens that can be seen from every corner of this home.

Walking inside you are greeted with engineered flooring through a large front lounge, flowing through the hall to a dining area that can double as a study, a separate laundry, and a modern kitchen overlooking the family room. Beyond, a spectacular outdoor space perfect for entertaining, pets, and kids to run around.

This single level home features split system heating and cooling throughout and boasts two double bedrooms with built in robes that are serviced by a central family bathroom. A single garage provides off street parking, with room for additional storage.
