Step into this well maintained single-level rear brick veneer unit, one of only two in the block, offering a golden opportunity to enhance your property portfolio, step into the housing market, or enjoy the benefits of downsizing. As you enter, a warm and inviting lounge sets the stage for family gatherings. The functional kitchen, equipped with modern cooking appliances, seamlessly connects to the adjoining casual meals area. Three generous bedrooms, each boasting built-in robes, offer comfortable living, with the main bedroom providing direct access to the central bathroom. Ducted heating, cooling and polished floorboards add to the allure of this home. A separate laundry, toilet, and lock-up garage enhance practicality. The outdoor space is a delightful retreat, featuring a good-sized courtyard with a covered deck. Convenience meets lifestyle, with Monash University and M-City within walking distance. Clayton transport ensures easy commuting. Don't miss this impressive, affordable property packed with potential.
