Welcome to a residence that epitomises a perfect blend of peaceful living and urban convenience. Tucked away at the end of a serene cul-de-sac, this home offers the retreat you've been seeking while staying close to the vibrancy of city life.

This rear unit shares a block with only one other property and has no owner's corp fees. Step inside to discover a spacious living room, where the plush carpeting underfoot sets the tone for cosy nights in. The open-plan design seamlessly integrates the dining and kitchen area, ensuring meal times become memorable moments. The kitchen itself beckons with its practical layout and effortless access to the backyard.

The property boasts two robed and carpeted bedrooms. The main bedroom is not only spacious but comes with the luxury of a walk-in robe and exclusive access to the bathroom, adding a touch of privacy and convenience. The dedicated laundry room ensures household chores are kept separate from living spaces and offers direct access to the backyard. Furthermore, the inclusion of a heating unit in the formal living area ensures you're wrapped in warmth during the cooler months.

This home is a gem, offering a unique combination of private living with urban conveniences. Its idyllic location adjacent to Roy Court reserve offers a daily dose of nature. For shopping needs and all amenities, Parkmore Shopping Centre is merely minutes away, and Dandenong Plaza is also within easy reach. The secure lock-up garage completes this picture of suburban perfection. Educational needs are provided by a number of schools within walking distance, including Chandler Park Primary School and Keysborough Secondary College.
