Located on the ground floor, this property has dual aspects with natural airflow and great natural light. Only moments to the public transport a great home for the young couple or family. Features: The property features a practical design that incorporates open-plan living and dining areas, creating a spacious and versatile environment. Adding to its appeal is a balcony accessible directly from the dining room, providing a relaxing outdoor space. The kitchen is modern and well-equipped, enhancing functionality with contemporary amenities and style.
