Tucked away in a quiet spot in one of Seaford's best streets, this home is sure to be in demand. Situated at the rear of only two properties, when you are home, you'll never want to leave! A good sized, light filled living area with easy to maintain tiled floors has split system heating and cooling. The kitchen has a gas cooking and plenty of bench space and this whole space has direct access to a landscaped, low maintenance private courtyard oasis. There are two good sized carpeted bedrooms, one with built in robes and one with a walk through robe to the two way bathroom. With a single carport and room to park a second car off the street, everything you need is right here Walking distance to Seaford shops and restaurants, train station and beautiful Seaford Beach Life could be a dream.
