Imagine getting up each morning and starting your day with a stroll to the beach. You have the option to head south on the Coastal pathway to the Mooloolaba lighthouse or take the path north into Alexander Headlands for a coffee at the surf club. Well, here is your opportunity to secure that lifestyle.

This townhouse-style unit, minutes from the beach, poses a terrific opportunity to capture that coastal lifestyle. Whether it is your ideal next home, an addition to your investment portfolio, or even your holiday retreat, this unit ticks all the boxes.

Entry can be from the front door on the second level off Buderim Ave or from the unit's garage on the ground from Toorumbie Drive. Inside the unit, the open-plan living, dining and kitchen areas flow seamlessly with plenty of light and features a new hybrid laminate timber floor. The kitchen has a breakfast bar, ample cupboard, storage and benchtop space. Adjacent to the kitchen is the laundry with sink, benchtop and storage cabinets. Next to the laundry is a separate toilet. The upper level houses the two generously sized bedrooms with built-in robes, and the master has a private balcony. There is also a linen cupboard and the main bathroom on this level. From this level, there is also access to the attic via a drop-down ladder, an ideal storage space. The outdoor space comprises a private courtyard with a timber deck, planter boxes, a lawn, an undercover patio and a gate for access to Buderim Ave. Via the internal staircase, the lower level is the garage with a storage cupboard, and the unit also has an allocated second parking space in the property driveway.

The unit is one of seven in a well-maintained complex; the corporate body is just \$1,726.15 per half-year. The building's roof has recently been cleaned and refurbished.
