Located in a neat unit development is this low maintenance 2 bedroom brick unit. The unit offers an L-shaped combined living space with lounge and kitchen connected by the dining area with both gas heating and reverse cycle heating and cooling unit. The kitchen has been updated and there is access to a private enclosed patio from the dining area. There are 2 carpeted bedrooms both with built-in robes and main with a reverse cycle heating and cooling unit, renovated bathroom with corner shower, vanity and toilet. The laundry includes a large built-in linen press excellent for storage. There is a single car garage with concrete floor, power and electric roller door. This unit would be perfect for a couple or individual downsizing or alternatively an investment opportunity.
