Modern Unit In The Heart of Highfields!

This stylish & modern two-bedroom unit presents an attractive opportunity in the heart of Highfields.

Offering an open plan lounge and dining area, the combined living space is complete with air conditioning for year-round comfort. The kitchen is finished with stainless steel electric appliances, with the bonus inclusion of a dishwasher and offers ample storage & bench space. The main bedroom comes complete with private en-suite and built in storage. The remainder of the home is serviced by a generous main bathroom with separate toilet. The second bedroom is also a decent size and is appointed with built in storage.

Step outside into your own private courtyard with undercover patio and a small, low maintenance lawn area. Fully fenced and fitted with external shutters to the front windows to ensure your privacy is maintained. Keep your vehicle out of the elements in the single remote garage with internal laundry to the rear.

Located close to local shops, schools and transport in the heart of Highfields.

For more information please give Benita a call today to organise a private inspection.
