OFFERS OVER \$500,000

2/7 Centaurus is a spacious home, perfect for family gatherings with living room seamlessly connecting to a contemporary kitchen and dining area. The kitchen features sleek white cabinetry, a large island with breakfast bar, modern appliances and beautiful polished timber flooring. The adjoining dining area is bright and airy, with large windows and sliding doors that lead to the patio, making it perfect for family meals and entertaining guests. This spacious property features a well-thought-out floor plan designed for comfortable living. The home includes a large primary bedroom with a walk-in closet and an en-suite bathroom, providing a private master suite. There are three additional well-sized bedrooms, each offering ample natural light and storage space, ideal for family members or guests. The property is equipped with air conditioning throughout, ensuring comfort during warmer months. High-quality fittings and fixtures are found throughout the home, providing a luxurious living experience with large windows in every room filling the home with natural light, enhancing the overall ambiance. The main bathroom features a freestanding tub, an enclosed shower, and a large vanity, accented with grey tiles flowing from floor to ceiling with ample natural light through frosted windows. Exiting through the sliding glass doors is the covered patio, ideal for outdoor living. The patio includes a ceiling fan, timber flooring, and overlooks a lush green landscape, providing a tranquil setting for relaxation and gatherings.
