UNFURNISHED. This great little unit centrally located in Millner will not last long. It features a very workable kitchen and a nice-sized living area with a separate bedroom with a standalone wardrobe. The unit is fully tiled and air-conditioned and the complex offers a great pool for those steamy days. Close to shops, markets, and public transport. Includes one off-street car park.\* Separate bedroom\* Neat kitchen area\* Fully Air conditioned\* Fully tiled\* One off-street park\* Complex pool\* Close to transport, schools, shops, and markets\* Sorry no pets
