Renovated ground-floor unit so close to the beach

Set right in the heart of town within the prized Coolum @ the Beach complex is this beautifully renovated ground-floor apartment. The sought-after end-unit position allows for extra windows and ample natural light that floods the generous three-bedroom, two-bathroom interior. From the hybrid flooring and plantation shutters to the open-plan living area and stunning Hamptons-inspired kitchen, there's a lot to love about this idyllic abode. The main bedroom suite boasts a walk-in robe and an ensuite plus there's built-in storage throughout the unit, a European-style laundry, a covered patio with pool views and parking for two cars. Residents and guests relish access to a long list of resort amenities and you're so close to popular shops, cafes, restaurants and the patrolled surf beach.
