Stylish and Spacious Urban Retreat

You'll fall in love with the spacious vibe of this one-bedroom apartment. The Caesarstone kitchen, fit for a family home, and the stylish subway-tiled bathroom with a frameless glass shower and ample face-level storage add a touch of style. Plus, the large laundry/storeroom is a delightful surprise, offering more space than the usual Euro-style setups found in most apartments today with space for secure bike/garage or a butlers pantry.

Positioned right on the city's edge, explore the nearby harbour, Honeysuckle waterfront, and the eclectic mix of eateries, bars and corner pubs that give Wickham its cool factor.

The roomy open-plan layout is enhanced by a skylight, flooding the space with natural light. Sliding glass doors lead to a sizeable balcony, spacious enough for both a lounge and dining setting. It's perfect for alfresco hangouts with a view of the neighbourhood.

And here's the icing on the cake: the Newcastle Interchange and light rail are just around the corner, giving you easy access to the beach, Central Coast, and even Sydney - with upcoming Honeysuckle HQ, Newcastle's future CBD and public domain developments at your doorstep. So, sit back, relax, and enjoy the ultimate convenience of city living or investing.
