Secure PA entry at street level along with an elevator to access the home and a storage unit - that's a lot of perks and we haven't even stepped inside yet! Light bright and breezy, this apartment has an end position which affords it uninterrupted views over the city lights and a ring of treetop canopy's where the birds flit about that screens the home as well. Inside is a foyer to drop your bag and kick off your shoes. There are two bedrooms each with a built in robe and tiled flooring along with a large master bedroom that hosts a walk in robe and ensuite bathroom along with a sliding door through to the sun drenched balcony. The main bathroom has a bath tub / shower and a separate powder room which discreetly hosts the laundry amenities. Open plan living, dining and kitchen areas are supersized with a large window at the far end framing the city skyline on the horizon. This would be a picture at night all lit up with the twinkling stars through the treetops. The kitchen has stone counters and wrap around cabinetry with banks of built in storage space and breakfast bar seating as well. The balcony is shaded and cool but captures the afternoon rays and the sunsets as well. From this vantage you can take in the cool sea breezes and enjoy the birds flitting through the trees.
