Welcome to your dream coastal residence situated at the forefront of the sought-after 'Alexandra Beach Resort,' offering captivating views of the beach, park and walkways. This rare 2 bedroom apartment is one of only a handful in the complex with ocean views. The true essence of Alex lifestyle and location, nestled directly opposite the breathtaking Alexandra Headland beach and all the area has to offer. Enviably situated with the beach, Surf club, cafes, and restaurants just a stone's throw away, this perfectly positioned unit on the second floor offers a comfortable living and dining zone with direct balcony access to take in that wonderful view. A stylish, well-laid-out stone kitchen with ample storage, providing both functionality and aesthetics. The master bedroom boasts a stunning beach view, double robes, and a modern bathroom – a private sanctuary with a view! Amenities Galore: Air conditioning, secure entry, and elevator access make for a secure and comfortable living experience. Enjoy a secure car park, resort lagoon swimming pool, BBQ area, gym, kids play zone, and beautifully landscaped gardens. With the beach, surf club, parks, playgrounds, and coastal walking tracks just a stone's throw away, living or vacationing in this apartment offers a plethora of lifestyle opportunities. Nearby cafes, restaurants, and a general store are within walking distance, and the Alex Surf Club, offering coffee and dining with a view of the waves, is conveniently located directly opposite. This apartment is not just a home; it's a lifestyle upgrade. Embrace the coastal living experience with the sound of waves as your soundtrack and the beach as your backyard. Don't miss the chance to make this beachfront haven your own! Property Code: 596
