\$820 per week

THE APARTMENT This is a lovely place to call home! This is a home that has the 'finer things' in life. It's in the small details; an ice maker fridge (Mitsubishi 562L Multi-Draw Fridge), 2 x large bathrooms, the afternoon sun and a lovely balcony/deck area capturing the sun, make this one, just a little bit special. * 2 x bedrooms of good size* Ensuite bathroom with bath tub* 2nd full bathroom * Reverse cycle air conditioning* Modern gas kitchen & study nook (Miele appliances included)* Open plan living leading to courtyard (48sqm approx)* Internal laundry with washing machine* Under cover secure parking * Security building with intercom* High-speed fibre to premises internet (TPG)* 145 sqm in total (84 sqm internal, 48 sqm courtyard + car space)**THE BUILDING** A good building (2016), this medium sized Strata Complex is secure, well looked after and features secure intercom entry, good visitor parking (approx. 15 spaces), lift access to the apartments and well maintained common areas. **THE LOCATION*** Bus 289-a bus right out of the unit to Wynyard Station by Lane Cove Inter exchange through freeway around 25mins. * Bus 534 goes between Ryde to Chatswood train station. * Three childcare (exceeding national education standard) with distance less than 800m from the apartment* Cubby house, Falcon Street Quality Care and Possums Corner (operated by local community and highly recommend)* Three parks with children's playgrounds within a few minutes walk* Mowbray Public School is almost opposite.* Shops around are in Chatswood (5mins drive and 15mins by bus 534) and Lane Cove Village. - Basically, a great location for young families or people who are after that convenience factor! **THE DETAILS**...Available - mid/late July>Contact - Naomi 0423 333 768 Lease Term - 6/12 months Pets - upon applicationUnfurnished
