When you enter this well presented unit you will be delighted to see that there is nothing you need to do but move in and enjoy your retirement. It has been freshly painted, new carpets installed and has a low maintenance backyard which is neat as a pin. The open floor plan with high ceilings and large windows allows ample natural light to flood the unit. There are two generous bedrooms and a large, tiled bathroom. Extra comforts to enjoy include; ducted heating, reverse cycle heating/cooling, a lock-up garage with internal access and a large kitchen with plenty of bench space, pantry and dishwasher. Situated in the centre of the village on a lovely tree lined street, take pleasure in cool, shady walks to the community centre for activities and events and a community bus is also available. Aged care is also on site and accessible. Ring Robyn on 0407 217 177 NOW, to have your private inspection of this gem.
