Set on 258sqm of land, number 3/1-7 Jefferson Street is in a quiet street and is set back from the road. The home has 3 bedrooms, all with built in robes, 1 bathroom with a bath tub, separate shower and separate toilet. There is a single car lock up garage an additional room to park another vehicle. The large open plan kitchen/lounge room has vinyl plank flooring, reverse cycle airconditioning, lots of windows which bring in plenty of natural light. The kitchen has electric cooking, good bench space, ample cupboards for a home of this size, pantry and a dishwasher. Outside there is an easy to manage back yard which would be large enough for a small dog or vegetable garden. The property is currently tenanted, but is being offered for sale with vacant possession. For further details or to arrange an inspection, please contact Bret Ward on 0427562644.
