Charming, sun-soaked and introduced by a picturesque garden, this immaculate cottage-style home provides enduring warmth, comfort and beautiful streetfront presence. Platinum presentation and a modern ambience are a constant throughout the inviting dual-zoned layout, with a spacious living room complementing a large well-equipped kitchen/meals area featuring European appliances and handy breakfast bench, and concluding outdoors in a generous covered deck - a private setting to enjoy year-round entertaining. Two bedrooms are both fitted with BIRs and share a stylish bathroom, while the addition of ducted heating, evaporative cooling, instant hot water, external blinds, internally accessed single garage and off street car space add allure to market entrants, savvy investors, retirees and downsizers. With no shared land or Owner's Corp fees, this picture-perfect gem is within minutes of Koornang Road shops, cafes and restaurants, a choice of train, tram and buses, as well as Carnegie Primary, the library, Caulfield Racecourse and Monash University.*Please Note* Buxton Real Estate may refuse to provide further information about the property should you prefer not to disclose your Full Contact Details including Phone Number.
