Contemporary Elegance with Village Vibes!

Astounding with its sophisticated style and extensive outdoor proportions, this beautiful 2-bedroom villa mixes contemporary elegance with unparalleled comfort and leisure, redefining the ways of modern unit living on the edge of Hastings' village scene.

Grand proportions set the stage for easy living, guiding beyond a tiled entryway into a well-zoned layout filled with natural light and a subtle tone of elegance. A spacious lounge and dining area wraps around a well-appointed kitchen with a granite-look laminate finish and quality appliances before sweeping out to an exposed aggregate patio ready for sun-filtered entertaining.

The main bedroom offers a fitted walk-in robe and ensuite entry to the central bathroom, with welcome finishing touches including split-system air conditioning, beautiful gardens and a secure single garage. Enjoy a morning walk into the vibrant Hastings town centre and along the stunning foreshore, with charming cafes, a V/Line Station, and the Pelican Park Leisure Centre, all within easy reach.
