Well-appointed with high-volume cabinetry and stainless-steel appliances, the kitchen offers function and form with the advantage of an adjoining laundry/scullery. The interiors naturally link with a rear deck where outdoor entertaining is privileged with the peace and privacy this property's rear placement provides. Two bedrooms with BIR complete the accommodation. Features include a fully-tiled main bathroom, ducted heating and cooling, colonial windows, a secure garage, and rear lawn with space for a vegetable garden. Impeccably placed, live within moments of Oakleigh Mall, The Links SC, Chadstone SC and the M1 Freeway in a celebrated, secure, and central lifestyle district.
