This two bedroom, two bathroom brick villa is nestled away at the back of the three units. It stands alone, has a secure yard and feels very private largely due to the fact that it backs on to a nature reserve. There is no body corporate meaning no body corporate fees. The home itself is built in 2014, it is brick with aluminium windows, single internal access garage with remote access and has been fitted with gutter guard to make maintaining the property a breeze. The yard is low maintenance and has sliding stacker doors inviting you out to the outside decking area where you can sit and enjoy the serenity. The home is quality built, has colourbond fencing, a walk in pantry, walk in wardrobe in the master and modern feel with no upgrades necessary.
