This neat and tidy two bedroom air conditioned unit is close to Hinkler shopping centre and the CBD. Vinyl flooring through out the unit makes it easy to keep clean. Both bedrooms have built in wardrobes with the main having a ceiling fan. The breakfast bar ties in with the kitchen which has plenty of cupboard space and overlooks the lounge room. The bathroom has a shower only with the toilet being in the same room. This property is fully security screened on all windows and doors. There is a single carport out the front.
