\$639,000

Perfectly situated just moments from the Portarlington town centre, this updated rear unit offers a private and peaceful living experience. The home features new flooring throughout the living areas and passage; a tastefully designed contemporary kitchen with ample storage options and equipped with premium Siemens appliances - a pyrolytic oven, a combination oven and microwave, and induction cooktop. The kitchen flows seamlessly into the dining and living space, this whole area enjoying abundant natural light from its north-facing orientation. Doors open out onto a timber-decked courtyard offering further space for relaxing or entertaining. Other highlights include two well-proportioned bedrooms - one with a built-in robe, the other with a walk-in robe, and a ceiling fan in each for added comfort; and an updated laundry. Additional features include split system heating and cooling, ceiling fans in the living/dining area, bathroom with bathtub and shower, separate toilet, a double garage (with door leading to back garden), solar panels and inverter, heat pump HWS, water tanks, and electronic security roller metal shutters. This beautiful home would suit many buyers - a couple, a retiree or a small family, or as an investment property in the thriving town of Portarlington, only a short walk to the shops, primary school, cafes and pub, the local beach, ferry to Docklands and buses to Geelong.
