A Stylish Lifestyle Upgrade

Need a home to fit that image of the lock-and-go executive lifestyle you have floating around in your mind? Look no further - we've found it for you.

Housed within a trendy apartment building that's a short walk to Bell train station, Plenty Road trams, High Street shops and cafes, Preston Market, Preston City Oval and Ray Bramham Gardens, you can expect an instant boost to your lifestyle the moment the keys to this stylish two-bedroom apartment are in your hand.

A mix of warm timber and carpeted floors add visual delight to the chic open-plan living domain, which boasts a modern kitchen with quality appliances and direct access to a huge entertainer's balcony for seamless indoor-outdoor lifestyle enjoyment.

Carpeted floors add a touch of luxury to both robed bedrooms, which are serviced by a deluxe bathroom, while split-system heating/cooling, European laundry, double-glazed windows, secure car space and a storage cage are further highlights of this immediate lifestyle upgrade.
