This spacious three bedroom unit is just what you've been looking for and more - situated within a peaceful complex and accessed via a central driveway off McMahons Road that leads to the front entry and double garage, the unit is currently undergoing updates with floor coverings, painting and blinds etc. The entry hall leads to an expansive living room, meals area and kitchen that opens out to a private rear courtyard and garden - this property feels more like a house than a unit! The master bedroom features walk-in robe and en-suite bathroom as well as reverse cycle air con, while the 2nd and 3rd bedrooms are generously proportioned and include built-in robes. A centrally located family bathroom includes separate bath and shower recess and adjacent powder room. The double lock up garage with auto-door provides secure internal access, while the home boasts ducted heating and reverse-cycle air conditioning to the main living area, the kitchen comes with stainless steel appliances and gas cook top. Located next to John Paul College, it is minutes away from local shops on Beach Street, schools and amenities, and Frankston central shopping precinct and railway station is approximately 1.5 km distant. This is an ideal opportunity as a market entry point but also has appeal for those down sizing with a lot size of 249 square metres approximately. Note: the photographs used are indicative only and may not accurately represent the finishes and decor in the property on completion of works.
