Ease of extreme convenience is the pinnacle of attraction for this one bedroom unit in Dynnyrne. Adjacent to the Sandy Bay University Campus but still private enough for quiet study and living, the property encompass a neat galley style kitchen, compact yet comfortable lounge area, bathroom and bedroom. A private car park away from the busy crowd of University parking is also offered. A longer term lease is sought on this unit and unfortunately pets are not able to be accommodated.\*please note photos are of an identical unit in the complex not unit 4\*Property Code: 1041
