Opportunity is Knocking!!!

This solidly built 2 bedroom unit is approx. 83 m² in size, and represents a great opportunity for some lucky buyer to get into the market at an affordable price. Sure it needs a reno but that's all POTENTIAL.

With all the convenience of a unit but set on a fully fenced near level block you won't ever feel hemmed in. On offer are two generously sized bedrooms, one with a walk in robe and the other a built-in, a large open plan living/kitchen area, front balcony, side yard, just ideal for those after work drinks or evening dinner. With an internal laundry, main bathroom and air conditioned living area, it has all the basics. Outside includes a garden shed, and access to the community bar-b-que area and single carport parking space.

Yes it's in average condition, yet it is conveniently located with a bus stop around the corner, an easy walk to local shops, tavern, medical centre and access to major roads.

This spacious and solid unit (nearly all walls are double brick) makes for a solid long term investment or a place to call home.

There are body corporate fees with this property.

Finding property in this price bracket is getting rare so don't delay. Contact Peter Torbey by text on 0411 599 964 or visit our open homes.
