New as new could be! How nice would it be moving into this home, which even has grass for any furry family members. You won't move again! A two level townhouse in a super location, so convenient. Brand new everything including a new washing machine & clothes line! Super private block of 6 townhouses originally built in 1965, which provides loads of space on the block besides your own courtyard. Public transport on your doorstep, or a 500m walk to A'Flower train station, the ferry is 1km away on Park road. Locals walk to Suncorp stadium or run into town it is an amazing location. Or you might be working at the Wesley Hospital - 1km walking!
