ONLY ONE LEFT!

Promoting platinum presentation and premium lifestyle designs, these ultra modern residences invite you to live a life of brand new style with streamlined indoor-outdoor dimensions and dream placement only a short walk from Boronia Junction.

Thoughtfully configured to suit various buyer needs, the remaining residences grant excellent choice with each residence designed across two levels and finished with high-quality appointments for long lasting appeal.

Highlighting every residence is a wonderful open plan domain that encompasses a living, dining and kitchen featuring stainless steel appliances and stone benchtops, extending onto an outdoor entertaining zone and courtyard.

Four of the five remaining residences are detailed with three generous bedrooms, accompanied by a bathroom with toilet and either an ensuite or laundry with shower. The addition of a powder room complements the floorplan, along with a garage and driveway parking space.

Furthermore, the home's all benefit from reverse cycle heating/air conditioning for year-round climate control.

Well placed for families, the townhouses sit only meters from St Joseph's Primary and close to Boronia West Primary, Fairhills High School, Knox Leisureworks, Boronia Junction, Westfield Knox, reserves, buses, trains and EastLink Freeway.
