This hidden gem is tucked away from the hustle & bustle of busy Racecourse Road in a small complex of just six units. Flooded with natural light & capturing the river breezes, this is a comfortable & convenient place to call home. Walking distance to cafes, shops, supermarkets & with the popular Portside precinct just minutes away, you will be spoiled for choice on weekends. Just 13 minutes from Brisbane CBD, you can leave your car in the garage & take a bus, train, or ferry to work. Inside the unit, you will enjoy the open plan lounge & dining area, as well as the galley kitchen, fitted with stainless appliances including dishwasher. The kitchen has ample cupboard space & opens onto a separate sunroof, which would be the perfect study or office. There are balconies on both sides of the lounge / kitchen area, allowing the breezes to drift through the fly screens. The two bedrooms are completely separate & perfect for friends looking for a property to share. The main bedroom is air conditioned & ensuited. There is a separate internal laundry + outdoor clothesline & downstairs is a single lock up garage.
