Bright & Spacious Unit

At the end of the cul-de-sac just a block from Highett's town centre, this comfortable unit provides a practical layout together with a generous outdoor area, creating an exciting opportunity for young buyers, investors and downsizers to add value just moments from a full range of amenities.

A distinct entrance hall provides a desirable separation between the spacious living and dining zone and two double bedrooms which both benefit from fitted robes and share a bright bathroom with a convenient separate toilet. The garden-view kitchen features an electric oven and gas cooktop along with a functional footprint for an easy makeover, while doors from the living zone open out to the really sizeable garden which is desirably oriented to capture the afternoon and evening sunshine.

Including air-conditioned comfort in the living room plus a separate laundry, this temptingly potential-loaded package is wrapped up by double carport parking.

A home that would respond so well to some easy modern flourish, yet can be enjoyed immediately, it is just the quickest walk to the station and Highett's increasing choice of restaurants, there are also buses & parks nearby and Southland just moments away.
