\$420 per week

What's not to love about this quality two bedroom unit, set in a private and quiet complex. Positioned back from the street in a quiet cul-de-sac and on a level well maintained block, the unit features a living, dining and kitchen area. Both bedrooms are of good size with built-in wardrobes and the bathroom is neat and tidy with shower, bath and separate toilet for convenience. There is a single covered car spot with one visitor parking located left side of the carport for the unit. The backyard is low maintenance and fully fenced to lend another layer of security as well as a shed to store your belongings. With all the services and conveniences that Brighton has to offer just a short distance away along with being a 20 minute commute to Glenorchy and a further 10 minutes to the Hobart CBD means this low care home won't last long! - Sorry no dogs but all other pets may be considered upon application - 12 month lease
