There are few properties listed in this low price range right now. Whether looking to buy your first home, declutter and downsize, or invest, this extremely manageable strata home unit might just suit you down to the ground. It is only a short stroll from the local shop and new primary school, and within easy reach of key shopping hubs, sports venues and more. Currently the only one for sale in the small complex of six, it offers a functional, easy-living internal layout and a private and low-upkeep, sunny aspect backyard, with a garden shed and ample room to grow some veggies and dwarf fruit trees. Modern vinyl timber floors and r/c-air-conditioning enhance the cosy, inviting ambience of the unit's open plan kitchen, meals and living area. There is convenient dual access off the kitchen and bedrooms to a modernised and combined bathroom and laundry. There is also a separate toilet and adequate built-in storage in the hall and main bedroom. This property will be so easy to look after, you will be left with loads of free time to get on with the things you enjoy doing most.
