Unit 5/154-156 Kinghorne Street is a beautifully presented two story unit in a fantastic location. Set in a small complex minutes from the CBD so you can leave the car at home. This unit has been nicely renovated with a brand new kitchen. It has plenty of storage and bench space, a large pantry, double draw dishwasher. There is a well thought out laundry off the kitchen with a linen press and that essential downstairs toilet. The lounge/dining area has been freshly painted and has new carpet. This area also has a reverse cycle air-conditioner. Upstairs you will find 2 bedrooms, the master is generous with 3 x built-in robes, a study nook and a reverse cycle air-conditioner. The balcony off the master bedroom is the perfect spot to sit and enjoy the afternoon breeze. The upstairs bathroom has also had some recent updates. Extras include Plantation shutters, NBN, single garage and fully fenced front yard. Minutes to shops, cafes and transport. For an inspection phone Linda Edwards 0403 437 266.
